

\$103,862.84 in Wages and Stipends

Since March, New Door has consistently provided weekly paychecks to interns so they can continue to make ends meet.

1,346 Hours of Virtual Case Management

Interns stay motivated with individualized support on weekly assignments, longterm goals, and general wellness check-ins.

88% Graduation Rate since Shelter In Place

Youth remain excited and engaged by New Door's programming and the opportunity to gain new skills.

New Door's Impact During Shelter In Place

"New Door helped me discover what I'm capable of. I'm able to apply to jobs and get called back. After graduating, I felt like I was still in the program because my case manager was still helping me along the way, and refreshing the skills that I learned. I feel more independent now."

Alexis, Employment Program graduate

130 Skill-Building Workshops

Interns receive paid, weekly virtual trainings in subjects like time and money management, resume writing, interviewing, and communicating professionally.

71 laptops in Lending Library

Interns without computer access can stay connected to education and future employment opportunities.

40 Internet Hotspots Distributed

Youth without an Internet connection at home can still participate in the program and find vital resources at hotspots in San Francisco and Alameda Counties.
